THOMAS BRACKEN

---

The beautiful historic Wains building is steeped in Dunedin history and links to its literary community. In the 1870's, as the Southern gold rush hit its stride and the region thrived, the hotel was home to Dunedin's very first Press Club – the inspiration for this bar and eatery's name.

For a time, the eponymous Press Club occupied a suite in the hotel, where editors and reporters from local newspapers set up a library and would often meet. The poet Thomas Bracken was among their members; an esteemed free thinker who penned New Zealand's national anthem.
