DILMAH TEA

VIVID CEYLON BREAKFAST BLACK TEA

An essential gourmet tea experience; tea from Ceylon's western high grown region, where the varying climatic conditions produce a perfectly balanced tea. A ruby red liquor yields the best of Ceylon in a tea that offers richness, depth and the slightly grassy, bright note of high quality, fresh tea. Neither too strong nor too light, a delicious tea to wake up to, to revive or simply relax with. A tea for connoisseurs.

VIVID EARL GREY CEYLON BLACK TEA

A bold and bright single region Ceylon Tea, grown at around 2000ft. above sea level, and gently fused with Bergamot flavour. The result is a balanced, medium strength tea with the citrus note that is known as Earl Grey.

VIVID NATURAL PURE CEYLON GREEN TEA

Gently steamed Ceylon Green tea with the mildly astringent taste typical of fine green teas. A pale-yellow infusion is tinged with olive highlights. A pleasant tea with a lightly sweet finish.

VIVID JASMINE CEYLON GREEN TEA

An inspiring green tea with bold leaf appearance, combined with petals of natural Jasmine flowers. The liquor produced by this combination is light and gentle; the special fragrance and a touch of sweetness comes from the night blooming Jasmine flower.

VIVID PURE PEPPERMINT HERBAL INFUSION

This Pure Peppermint infusion is naturally caffeine free and ideally enjoyed after a meal. The natural Peppermint oil in the leaves imparts a menthol aroma and adds sparkle to the infusion, making for a cooling and energizing experience.

VIVID BLOOD ORANGE & EUCALYPTUS INFUSION

An inspired blend of sweet orange, lemon and spice in a beautiful ruby red infusion. Strong and tart, the lively fresh berry and orange notes are balanced by the bracing, pungent scent of eucalyptus.

VIVID NATURAL FRUIT INFUSION OF BLUEBERRY

Blueberries lend their soft, tangy flavours to this intense caffeine-free infusion.

VIVID ELDERFLOWER & HOT APPLE INFUSION

A naturally caffeine-free infusion offering a delicious apple fragrance and crowd-pleasing flavours. Citrus and green apple complement elderflower and elderberries to produce a fresh, summery infusion.

VIVID GENTLE CHAMOMILE HERBAL INFUSION

Chamomile is a gentle and relaxing herb enjoyed by many as a tonic for centuries. It has a serene character and wonderful aroma. The daisy-like Chamomile flower, where the subtle flavour is concentrated, has an uplifting aroma reminiscent of apples. It is often enjoyed as a gentle, naturally caffeine free infusion in the evening.
